6.2 CONSUMER COMPLAINTS

Consumers (including family, friends and others) are encouraged to express their complaints to enable us to improve the quality of our support. We utilise the Better Practice Guide to Complaints Handling in Aged Care Services⁵ to guide our management of complaints and to ensure staff understand the complaints process from the consumers' perspective.

We have also adopted the Australian Open Disclosure Framework⁶ principles and processes to support the effective and inclusive management of complaints (including complaints that may be a result of an adverse event or incident related to care and services).

Consumers are made aware of their right to complain and are encouraged to make a complaint if they are not happy with Chester Hill Neighbourhood Centre. This is explained to consumers at service commencement, at reviews, when they wish to make a complaint and whenever appropriate, including at meetings with consumers and representatives. Information on consumers' right to complain without fear of retribution, the complaints process and their right to use an advocate in making a complaint, is included in the Consumer Handbook.⁷

We provide to all our consumers the Aged Care Quality and Safety Commission brochure; "The Complaints Service We Offer You⁸", in a range of languages and offer assistance if they wish to make a complaint and provide information about advocates.

Consumers can expect complaints to be dealt with fairly, with transparency and promptly and for staff to take steps to ensure that consumers feel comfortable to continue receiving services after making a complaint.

All complaints are reviewed by the Management Committee to identify improvements to services and processes that underpin all of our services and operations (see 8.9.6 Continuous Improvement Forms/Consumer complaint form). Our complaints handling approach reflects our vision, objectives and philosophy outlined in Section 8: Organisational Governance.

All staff involved with consumers receive information on their responsibility to encourage and support consumers to make complaints and to support them through the complaints process.

Consumers are encouraged to talk to us before raising a complaint with an external complaint agency, but consumers can choose to raise their complaint with an external agency at any time. Details of external complaints agencies are detailed in 6.4 Advocates.

6.2.1 OPEN DISCLOSURE AND OTHER PRINCIPLES IN MANAGING COMPLAINTS

Chester Hill Neighbourhood Centre Inc. adopts the Open Disclosure Principles and the principles from the Aged Care Quality and Safety Commission, in managing complaints⁹.

If an open disclosure meeting is to be held (where an adverse event may have occurred with harm or potential harm to consumers is evident), the Manager will prepare and conduct the meeting/s with the consumer/representative with consideration to the above principles. This includes the following:

i) Be open and timely

If things go wrong in the provision of care and services to a consumer (including adverse events or incidents) we communicate and provide timely information in a timely, open and honest manner. We provide ongoing information until the complaint or issue is resolved.

ii) Acknowledge

The person managing the complaint will:

- Acknowledge all complaints quickly.
- Repeat what you've heard in your own words. This creates a shared understanding and establishes empathy.
- Express regret using the words 'I/we are sorry', but do not admit liability or apportion blame.
- Tell the complainant what happens next with their complaint and provide contact details for the staff member handling the complaint.
- Reassure all parties that confidentiality is respected.
- Give an estimate of how long the process may take.
- Invite those involved to participate in the resolution process; engage the consumer.
- Complaints that are straightforward with low risk can be resolved on first contact.

iii) Assess

- Assess the complaint and prioritise against other complaints the service is handling.
- Clarify the concerns and issues raised by the complainant.
- Determine the level of risk to the consumer, other consumers and the service.
- Ask the consumer and complainant how they would like to see the complaint resolved.
- Show a positive, professional attitude and thank the complainant for bringing the matter to your attention.
- Plan (if required)
 - Consider the best way to resolve the complaint (e.g. conciliation with the complainant or investigation).
 - Prepare a short-written plan of how the complaint is to be managed and any information to be collected.
 - Focus attention on the issue to be investigated.
 - Remain flexible and adjust as required
 - Investigate (if required)
 - Gather relevant information to resolve the complaint.
 - A fair investigation is impartial, confidential, transparent and timely.
 - Keep written notes of discussions.
 - Allow complainants to present their point of view.

An effective complaint handling process is fair, accessible, responsive, efficient and contributes to ongoing quality improvement in service delivery.

iv) Respond

- Apologise using the words 'I/we are sorry'. It can improve your relationship with the complainant.
- Respond to the complainant with a clear decision and explain your reason for the decision.
- Written responses may be more suitable for complex matters.

- Communicate outcomes promptly.
- Recognise that it may take several meetings to come to resolution.

v) Follow up

- Check if complainant is satisfied with the resolution.
- Ask complainants for feedback.
- Outline alternative options available to the complainant.
- Reviews should be carried out by staff who haven't been previously involved.
- Complaints are evaluated and discussed at the relevant committee eg improvement, clinical governance meeting (with consideration to confidentiality).

vi) Consider

- Evaluate the outcome for the complainant; ask yourself/the team (and document):
 - Are there issues or problems which could be repeated?
 - Was there a delay in resolving the complaint?
 - Can procedures and policies be reviewed to improve the complaints process?

Regular contact with the complainant should be maintained throughout the process. It's important to keep the complainant informed if their issue is taking longer to resolve than first advised.

6.2.2 PROCESS FOR MANAGING COMPLAINTS

Table 6.2.1 Complaints Management Process

6.2.3 DISPUTES BETWEEN CONSUMERS AND SUPPORT STAFF

Chester Hill Neighbourhood Centre Inc. support staff are required to report immediately to the Aged Care Coordinator any dispute with consumers, regardless of how small. Disputes are reported verbally in the first instance. The Coordinator then decides:

- Whether the consumer should be contacted
- If a written report is required
- The format of the report
- Any other action to resolve the dispute as early as possible.

The Aged Care Coordinator may offer the consumer the opportunity to make a formal complaint. If the consumer accepts this offer the Aged Care Coordinator completes a Consumer Complaint Form with them and the complaints process is followed.

6.2.4 PEOPLE WITH SPECIAL NEEDS

Where consumers may have special needs, such as people from culturally and linguistically diverse (CALD) backgrounds or Aboriginal and Torres Strait Islander people, the Aged Care Coordinator ensure that any cultural aspects are considered when reviewing a complaint or dispute and ensures the person feels comfortable in discussing a dispute. The presence of a family member or friend or the support of an interpreter may be required.

Where we can, we use the resources on the Aged Care Complaints Commissioner website¹⁰ to provide information in simple language or in the language of the consumer.

¹⁰ Australian Government Aged Care Complaints Commissioner [Website](#)

We also ensure that any actions, interventions or referrals are appropriate to people from special needs groups. This may require the involvement of organisations with expertise in special needs groups either in providing advice or assisting in actions.

6.2.5 USE OF AN ADVOCATE

Consumers are advised in the Consumer Handbook and verbally at the time they indicate they have a complaint that they can use an advocate or external agency at any point in the complaint process or if they feel their feedback or complaint was not satisfactorily resolved. We provide the consumer with a list of agencies and assist them and support them to make contact as required.

Agencies that consumers can lodge a complaint with or provide advocacy services are detailed in 6.4: Advocates.

6.2.6 CONFIDENTIALITY OF COMPLAINTS AND DISPUTES

As far as possible, the fact that a consumer has lodged a complaint and the details of that complaint are kept confidential amongst staff directly concerned with its resolution. The consumer's permission is obtained prior to any information being given to other parties that it may be desirable to involve in order to satisfactorily resolve the complaint or dispute. Complaints that are sensitive in nature are managed by the Manager.

6.2.7 WORKING WITH EXTERNAL COMPLAINTS AGENCIES

If we receive a request to provide information or input from an external complaints/advocacy agency we provide relevant information as requested. Information provided to external agencies is documented in a complaint form, detailing the information provided and any relevant documentation and filed by the Manager. If we are provided with a direction from the Aged Care Complaints Commissioner, we follow that direction and keep a record of the actions taken on the complaint form/file.

6.3 CONSUMER FEEDBACK

Feedback can be positive and negative. Negative feedback is defined as minor dissatisfaction or a minor issue that can be easily resolved and/or the consumer does not want to make a formal complaint. For example, feedback on an occasion of late service provision or dissatisfaction with a provided meal. Positive feedback is a compliment or praise regarding service delivery, staff or the organisation. Feedback can be formal or informal.

6.3.1 FORMAL FEEDBACK

Formal feedback is given with the intention of providing feedback such as a consumer completing a Tell Us What You Think form or specifically informing a staff person about their dissatisfaction with day centre activities.

When feedback is not written on a Tell Us What You Think form the staff person receiving it completes a form and attaches any documentation. The procedure outlined in 8.9.6 Continuous Improvement Forms/(i) Tell Us What You Think Form is followed.

6.3.2 INFORMAL FEEDBACK

Informal feedback is made in the course of interaction, for example, a consumer mentioning to the bus driver that the outing location was unsatisfactory.

Informal feedback is recorded by the staff person on a Tell Us What You Think form. The procedure is outlined in 8.9 Continuous Improvement (see 8.9 Continuous Improvement Forms Forms/(i) Tell us what you think form.)

6.4 ADVOCATES

6.4.1 USE OF ADVOCATES

Consumers have a right to use an advocate of their choice to negotiate on their behalf. This may be a family member, friend or advocacy service.

Advocates are accepted by Chester Hill Neighbourhood Centre Inc. as representing the interests of the consumer.

Information on the use of an advocate is included in the Consumer Handbook and is explained at entry to the service, assessments and reviews; our organisation reiterates to the consumer/ representative the local advocacy services available and respect the consumer's choice of advocate. We also recognise that consumers may choose a family member, friend or other person to advocate on their behalf.

Staff ensure consumers are aware of their right to use an advocate, and remind them of this option whenever appropriate including if a complaint is lodged.

6.4.2 WHAT IS AN ADVOCATE?

An advocate is a person who, with the authority of the consumer, represents the consumer's interests.

Advocates may be used during assessments, reviews, complaints, open disclosure meetings or for any other communication between the consumer and Chester Hill Neighbourhood Centre Inc.

6.4.3 APPOINTING AN ADVOCATE

Consumers wishing to appoint an advocate inform our organisation in writing of the name of the person they wish for their advocate using the Authority to Act as an Advocate form.

Consumers can change their advocate at any time and inform us in writing using an Authority to Act as an Advocate form. If a consumer has difficulty in completing the form due to language or literacy, our staff assist them or refer them to an advocacy agency to assist. Our organisation assists and supports people with special needs to access an advocate of their choice by providing whatever support is required.

Completed authority forms are kept in the consumer's record and noted in the Consumer Management System.

6.4.4 GUIDELINES FOR ADVOCATES

Guidelines for advocates are detailed in the Authority to Act as an Advocate form; this is given to the consumer and explained to them if they wish to appoint an advocate.

6.4.5 ADVOCACY AND COMPLAINTS INVESTIGATION CONTACTS
