

CHESTER HILL SCRABBLE GROUP

THE CHESTER HILL
NEIGHBOURHOOD CENTRE

Chester Hill Scrabble Group

Do you like staying active, make new friends, enjoy board games, and enjoy a communal morning tea? Get together with us, make friends and play lots of Scrabble. All ages and skill levels welcome!

Why play Scrabble? A game of Scrabble can do wonderful things for the brain and memory, while also promoting feel-good emotions, lowering the chance of getting sick and reducing blood pressure.

If this is not enough, here are a few more benefits of playing Scrabble:

- As a Word Game, Scrabble teaches vocabulary
- As a board game, Scrabble teaches strategy
- As a challenging game, Scrabble builds your intellectual capacity
- Scrabble increases social bonding and cooperation
- Playing Scrabble increases personal confidence and improves emotional well-being

And finally, Scrabble is lots of fun!

When	Every Wednesday, 10 am - 12 pm, except last Wednesday of the month
Where	Chester Hill Neighbourhood Centre, 89-91 Waldron Road
Cost	\$1 per session
